# INEDITS

FILMS AMATEURS / MEMOIRE D'EUROPE

Paris 29<sup>th</sup> June 2010

Dear Members, dear Friends,

It is with great pleasure that I can confirm the dates of the next INEDITS Encounters that will take place in Porto Vecchio (Corsica) from 4<sup>th</sup> to 7<sup>th</sup> November 2010. Casa di Lume (Cinémathèque de Corse) will welcome INEDITS as we celebrate our 20<sup>th</sup> anniversary.

You will find attached the programme decided upon at our last Board meeting in June 2010. This year the main theme will be "MARE NOSTRUM – The Mediterranean seen by amateurs". This theme will be developed on Friday 5<sup>th</sup> November. On the same day, we will spend 90 minutes on the past twenty years of INEDITS, a good moment to observe the history of our association and take a look at its perspectives.

The workshop on Saturday 6<sup>th</sup> will be devoted to the technical aspects of our work, nowadays more and more complex. This time, it will be our technicians who will help out all through the day as we discuss and demonstrate the different digital techniques and machines we use in our archives. This workshop, divided into two parts, will comprise, firstly, a discussion on transfer methods and the experiences of different archives. In the afternoon, a practical workshop on Flashscan SD and Dixi will be open to a restricted number of people. The results of the day might bring food for thought to those taking decisions in terms of equipment and investment.

Public screenings are also planned. The first one on 4<sup>th</sup> November at 9pm will show a documentary film based on amateur films. It will refer to the main theme of our Encounters. We will inform you in September of the name of the author and the film that will have been selected. On Friday 5<sup>th</sup>, we will have a public screening with films proposed by INEDITS members, in accordance with the general theme "MARE NOSTRUM". Please take a close look at the presentation note here below to suggest materials that will be a surprise to the public and will show the diversity of viewpoints.

In addition to all of this we will have time to meet with each other, to exchange ideas and projects that will make our links stronger and keep stronger over the years.

These Encounters will end with our yearly General Assembly, an occasion to make a point on the future direction of our Association.

I wish you a beautiful summer, and remind you to respond before the deadlines with your registration and your hotel reservation.

Best regards,

Gilbert LE TRAON  
President of INEDITS
